

outback station

Outback Station Lifestyles (2 days)

Distance: Mitchell to Claravale (104kms return) Mitchell to Bonus Downs (92kms return)

Sites visited: Claravale Wilderness Experience – Bonus Downs Farmstay

Outback Station Lifestyles provides visitors with an opportunity to experience first hand outback station life. Both Claravale and Bonus Downs are real working family owned properties where visitors can observe or participate in everyday station activities.

Each station offers visitors a unique and different experience and landscape. Claravale Wilderness Experience located on the southern most spur of the Carnarvon Range provides an experience which has an environmental focus that includes nature corridors and refuges. Whilst visitors to Bonus Downs will gain a sense of our pastoral pioneering past and outback spirit. Both stations are also fine examples of modern day station life where visitors are provided with a unique opportunity to connect and experience this important part of our iconic Australian identity.
